

## DEAR FRIENDS!

We invite you to Al-Farabi Kazakh National University. Being a student of KazNU is prestigious and responsible. The diploma of our university is a «calling card» of the best university of the country, the leader of higher educational institutions, using the most modern technologies, in accordance with the advanced international standards. Choosing our university, you become a part of our large corporation. A successful university consists not only from talented teachers, successful graduates, but also from the most intelligent students.

We keep up with the times, and even sometimes rush. KazNU proudly bears the title of the country's leading university. KazNU ranks the first place in the National rating and 165 position in the QS world university ranking.

By choosing our university, you will get a quality education, a ticket to a great life, a real chance to build your career, to become successful and famous.

The Faculty of Philosophy and Political Science, which we have the honor to represent, provides training in 56 educational programs, realizes two-diploma programs with leading Russian universities, joint training programs with leading foreign universities. We teach in three languages. Our programs are aimed at fostering the formation of creative thinking, obtaining information on a new qualitative level, understanding the systemic links. At six departments of the faculty there are well-known scientists, brilliant teachers who, in the best traditions, will make you feel that you belong to the university community and chosen profession. It is here that you will be able to receive incentives for further independent solutions to emerging problems, both professional and life; meeting the needs of the individual in intellectual, cultural, moral and physical development; reveal your talents; learn the skills of adaptation to social change and the development of positive patterns of behavior. Studying at our department, you will live in a unique university campus.

Today you have a real opportunity to make the right choice and build your future together with us.
