

APPROVED
at a meeting of the Scientific Council
NJSC «Al-Farabi KazNU».
Minutes No.10 dated May 20, 2024.

The program of the entrance exam for applicants to the PhD
for the group of educational programs
D153 – Archeology and ethnology

1. General provisions.

1. The program was drawn up in accordance with the Order of the Minister of Education and Science of the Republic of Kazakhstan dated October 31, 2018 No. 600 “On Approval of the Model Rules for Admission to Education in Educational Organizations Implementing Educational Programs of Higher and Postgraduate Education” (hereinafter referred to as the Model Rules).

2. The entrance exam for doctoral studies consists of writing an essay, passing a test for readiness for doctoral studies (hereinafter referred to as TRDS), an exam in the profile of a group of educational programs and an interview.

Block	Points
1. Essay	20
2. Exam according to the profile of the group of the educational program	50
3. Interview	30
Total admission score	100/75

3. The duration of the entrance exam is 3 hours and 10 minutes, during which time the applicant writes an essay and answers the electronic exam ticket. The interview is conducted on the basis of the university separately.

II. Procedure for the entrance examination.

1. Applicants for doctoral studies in the group of educational programs D153 – «Archeology and ethnology» write a problematic / thematic essay. The volume of the essay should not be less than 250 words.

The purpose of the essay is to determine the level of analytical and creative abilities reflected in the ability to formulate one's own argumentation based on theoretical knowledge, social and personal experience.

Types of essays:

- motivational essay revealing motivational reasons for research activity;
- scientific-analytical essay justifying the relevance and methodology of the planned research;
- a problem/thematic essay that presents various aspects of scientific knowledge in the subject area.

Essay prompts:

1. Features of medieval ethnocultural processes.
2. The problem of chronology and periodization of the Bronze Age of Kazakhstan.
3. Archaeological sites of the ancient Turks: characteristics, typology.
4. The main problems of Saka archeology in Kazakhstan.
5. Types of archaeological data: information opportunities, research features.
6. Problems of the Kazakh Diaspora and Repatriates.
7. Tolerance and polyconfessionalism in ethnic culture: traditions and modernity (on the example of Kazakhstan).
8. Religious beliefs and rituals of Kazakhs: preservation and continuity of tradition.
9. History of the formation of multilateralism in Kazakhstan.
10. Kazakh material culture: preservation and transformation.

2. The electronic examination card consists of 3 questions.

Topics for exam preparation according to the profile of the group of the educational program.

Discipline "**Organization and planning of scientific research**"

Topic 1. Organization of scientific activity.

Subtopics Research Stages - Planning, Organization and Implementation. Methods for conducting theoretical and empirical research.

Topic 2. Literary research.

Subtopics. Search systems and databases of scientific and technical information.

Topic 3. Development of a research program, methodological and procedural sections of the study.

Subtopics. Planning and execution of an experimental (empirical) study. Statistical data processing.

Topic 4. Writing, design and defense of scientific works.

Subtopics. Structure of scientific work. Features of the language and style of presentation of scientific research.

Discipline "**Theoretical and methodological problems of archeology**"

Topic 1. Theoretical directions of archeology in the system of humanitarian knowledge.

The process of development and formation of archaeological terminology. Formation of the term "archaeological culture". The use of natural science methods in archeology. Fundamental problems of world archeology. Use of linguistic and anthropological sources in archeology.

Topic 2. The newest discoveries of monuments of the Stone Age during the years of independence.

General characteristics of the Stone Age in Kazakhstan. Stone Age of East, Central, South and West Kazakhstan. Characteristics of material culture. Reconstruction and interpretation of Stone Age monuments.

Topic 3. Bronze Age.

General characteristics of the Bronze Age. Problems of the historiography of the Bronze Age in Central Asia and Kazakhstan. Fundamental Problems of the Bronze Age. Andronovo cultural and historical community.

Topic 4. Early Iron Age.

General characteristics. The change of the Bronze Age to the Iron Age: the geography of the process. The main consequences of the development of iron. Scientific theories on the development of iron. The concept of the term "early nomads". Problems of periodization of the Early Iron Age of Eurasia.

Topic 5. Fundamental questions of nomadic civilization.

The concept of "nomadic civilization". History of the study of nomadic civilization (Shakhmatov, Tolybekov, Khazanov, Masanov, etc.). Types and forms of nomadic civilization. Economic and cultural type. The origin of nomadism. Early nomads and their relationship to settled cultures. The contribution of nomads to the world civilization.

Topic 6. Nodal problems of the Saka-Scythian cultural and historical community of Eurasia.

Sako-Scythian cultural and historical community. The problem of the origin of the Scythians, Saks. A brief overview of the history of Scythian and Saka studies. The area of distribution of the Scythian culture. Iconic monuments of the Scythian culture of the Black Sea region, the Dnieper region, and the Altai.

Topic 7. The main problems of the archeology of the Saks and Usuns of Kazakhstan.

Localization of Saka tribes. Elite Saka monuments of Altai, Tarbagatai, Zhetysu, Central, Northern, Southern and Western Kazakhstan. Periodization of Saka culture. The problem of the origin of the Saka-Scythian animal style. The problem of "golden people" in the Saka culture. Sources on the history of the Usuns. Archaeological culture of Wusun. Art and religion.

Topic 8. Theoretical and methodological problems of the Hunno-Sarmatian period in archeology.

Questions of chronology of the Hunno-Sarmatian period. The problem of the origin of the Huns and Sarmatians. Proto-cities of the Hunnic period. Localization of Sarmatian tribes. Aralotobe "golden man". "The Great Migration of Peoples".

Topic 9. Ancient Türkic genealogical legends and archaeological monuments of the Early Türkic time.

Data from written and archaeological sources. The problem of the origin of the Turks. Ethnonyms Türk, Ashina. Types of archaeological monuments of the ancient Turkic era: burial structures, memorial complexes, rock carvings. Chronology and periodization.

Topic 10. The era of the developed Middle Ages: problems and historiography.

Mongol conquest. Ulus Zhoshy. Kok-Orda and Ak-Orda. Eastern Desht-i Kypchak in the XIV - early XV centuries. The beginning of the Kazakh statehood. Formation of the Kazakh Khanate. Theoretical problems of the final stage of the ethnogenesis of the Kazakhs. Political prerequisites for the consolidation of the Kazakh people. The problem of the origin of the Kazakh zhuzes.

Topic 11. Topical issues of studying the material and spiritual culture of the Turks.

Interaction of two economic and cultural types: sedentary and nomadic ("city-steppe" system). Ancient Türkic runic monuments in honor of the first Türkic rulers (Bumyn-Kagan, Istemi-Kagan, Kultegin, etc.). Ancient Türkic pantheon of deities (Tengri, Umai, Yer-Su, etc.). The beginning of the Islamization of the Turkic tribes. The heritage of the ancient Turkic culture.

Topic 12. Problems of medieval cities and settlements.

Problems of natural-geographical and historical-cultural zoning of medieval cities and settlements in Kazakhstan. Problems of historical topography of medieval settlements and cities of Kazakhstan.

Topic 13. The Great Silk Road.

Directions of the Great Silk Road. Caravan routes of ancient and medieval Kazakhstan. Urban culture on the Great Silk Road.

Archaeological monuments of the Usun period in the territory of Kazakhstan. Socio-economic relations of the Uysun tribes with neighboring states.

Topic 6. Isolation and ethnic composition of the Kanli State. The social social structure of blood tribes. Relations with neighboring States. Economy and life of the blood. Natural and spiritual culture of blood tribes. Archaeological sites: settlements and burial mounds. The archaeological culture of kauynshy. Otrar-Karatau archaeological culture. Semiasarian archaeological culture. Aktobe settlement, Kok-Mardan settlement, Pshuk-Mardan, Kostobe, Dzhetyasar settlement, Shaushukum molaly, Zhaman-Togai, Torebai-Tumysyk, Kok-Mardan, Kyr-Kesken, Mardan, Mardan-Kuik (Konyr-Tobe).

Topic 7. Yuezhi tribes in the ethno-cultural process of Kazakhstan. The ethnonym of Yuezhi. Origin and habitat. The social structure of the Yuezhi tribes. Economy, life, natural and spiritual culture of the early Yuezhi tribal society. Socio-economic relations with neighboring States and tribes. Archaeological monuments of the Yuezhi-Sarmatian period of Western Kazakhstan. Yuezhi monuments on the territory of Zhetysu. Topical issues and questions on the Yuezhi tribes that inhabited the territory of Kazakhstan and neighboring states.

Discipline «**Theoretical and methodological problems of ethnology**»

Topic 1. Ethnology as a science and academic discipline

Subtopics: Formation of ethnology as a science; Ethnology in the system of scientific knowledge; Functions of ethnology

Topic 2. Ethnos and ethnicity, Ethnogenesis and ethnic history of peoples

Subtopics: Basic theories of ethnos; Gumilyov's Theory of Ethnogenesis;

Topic 3. Main schools and trends in ethnology

Subtopics: Evolutionism; Diffusionism, the Sociological School; The American School of Historical Ethnology;

Topic 4. Ethnic history and ethnogenesis

Subtopics: Ethnogenesis and its main forms; Types of ethnogenetic processes.

Topic 5. Ethnic culture; Ethnos and culture

Subtopics: Culture and its ethnic functions, the essence of ethnic culture, Ethnic culture and the culture of an ethnic group;

Topic 6. Interethnic relations; Interethnic conflicts and ways to resolve them

Subtopics: The essence of interethnic relations; Factors of interethnic relations; Ethnic contacts and their results, Types of interethnic relations, Theories of interethnic interaction; Dynamics and typology of ethnic conflicts, Ways of resolving interethnic conflicts.

Topic 7. Theoretical and methodological problems of the Kazakh Diaspora and repatriates

Subtopics: Theoretical aspects of the problem of the Kazakh Diaspora and repatriates; Historical destinies of the Kazakh Diaspora; Preservation and transformation of the cultures of the Kazakh Diaspora. The return of the repatriates and their adaptation in their historical Homeland.

Topic 8: Ethnodemography and migration processes in Kazakhstan

Subtopics: Ethnodemographic situations of independent Kazakhstan; Migration processes of Kazakhstan. Migration of immigrants.

Topic 9. History of Kazakhs ' research

Subtopics: The history of the study of the Kazakhs in pre-revolutionary times in Russian and Domestic historiography. History of the study of the Kazakhs in the Soviet era in Russian and Domestic historiography.

Topic 10. Fundamental problems of ethnogenesis and ethnic history of the Kazakhs.

Subtopics: Key problems of ethnogenesis and ethnic history of the Kazakhs; The main stages of the formation of the Kazakh people.

Topic 11. Economy of the Kazakhs; Material culture of the Kazakhs

Subtopics: Economic and cultural types of Kazakhs; Types and system of management of Kazakhs ' economy; Material culture. Applied art.

Topic 12. Ethnic psychology; Traditional culture and modernization, Spiritual revival

Subtopics: Ethnic identity, Ethnic identity, Types of ethnic identity

Topic 13. Ethnic and ethno-cultural processes in the Soviet period and modern Kazakhstan Sub-topics: Ethnic and ethno-cultural processes in the Soviet period; Ethnic and ethno-cultural processes in independent Kazakhstan; Ethno-demographic processes in Kazakhstan; Interethnic and interfaith processes in Kazakhstan. Language and culture.

Topic 14. Theoretical aspects of ethnopolitics. Ethnos and politics. Ethnopolitics of the Republic of Kazakhstan.

Subtopics: Ethnopolitics of the Republic of Kazakhstan, ethnic identity, interethnic tolerance and social harmony. Socio-psychological, ethno-cultural and religious aspects of ethnic minorities in Kazakhstan.

Topic 15. History of the study of Kazakh ethnography

Subtopics: Ethnographic study of Kazakh ethnography before the Soviet period., History of research of Kazakh ethnography Soviet time. The study of the Kazakh ethnography of domestic historians.

Topic 16. Kazakh worldview, traditional medicine and veterinary medicine

Subtopics: Traditional worldview of the Kazakhs, Traditional medicine in the traditional knowledge of the Kazakhs.

Topic 17. Family and marriage of Kazakhs.

Subtopics: Traditional family marriage relations; Preservation and transformation of tradition.
